It's going to be a great time celebrating all that God has done through FUMC in 2022 and anticipating all that will take place in 2023!

Sunday, January 29
Following 10 a.m. worship

First, Michelle Willis from our Elmore County Pregnancy Center will share a brief update on all that the center is doing to promote life in the river region. Brother Matt will bring another one of his awesome messages and after the 10 a.m. worship everyone is invited to a **Celebration POTLUCK Luncheon in the FLC**. Begin planning now what awesome foods you would like to share.

** Remember, there will not be an 8 a.m. worship service.*
